**2020 Pioneers of Lake City Nomination Form**  
**Event Date: Friday, March 13, 2020; 6:30-8:30 PM**

The Boys & Girls Club of Lake City is very excited to announce the 2020 Pioneers of Lake City Tribute. This event has two purposes: first, to celebrate individuals/businesses on their contributions and accomplishments to Lake City that define our society, and second, to raise funds for the Lake City Boys & Girls Club. We are excited that the youth in Lake City have a wonderful community-based area where they can come together as one and make a positive impact on the community, but this project cannot be a success without you.
