### From Parents

*"As a working single mother of four children, it is difficult to find a fun, positive and affordable place for my children to go over the summer. The Boys & Girls Club has been a blessing to my family. It has allowed me to work without worrying if my kids are okay. My kids love the staff and the friends they have made there."*

- Leah, parent

*"I don't have to stress.  
I can be myself here."*

### From Alumna

*"The Boys & Girls Club provided a fun, safe place for me to be growing up. I came from a troubled background but was able to persevere because of the staff at the Club. I could talk to staff without judgment and learn in a positive environment."*
